Summer Institute

Leadership and Collaboration in Inclusive Education

July 21 to 24, 2009

An incredible opportunity to come together with other classroom teachers, resource teachers, principals, vice-principals and education system professionals from both elementary and secondary sectors to learn from each other and from our dynamic faculty who will address topics including:

- ◆ Thinking Inclusion: The Challenge for Educators
- ◆ School Principals: Critical Leadership Strategies
- ◆ The Role of Teachers in Inclusive Education
- ◆ Accountability in Individual Education Planning
- ◆ Student Behaviour and Inclusion
- ◆ Putting the Pieces Together—Achieving the Inclusion Goal
- ◆ Supporting Teachers using Best Practices
- ◆ And much more....

You can earn **Administrator certification credit** while networking with leaders in Inclusive Education from Manitoba and across Canada.
